4/17/2017

Dear Valued Customer,

Your comfort is important to us, and providing personalized heating service has always been our highest priority. With you in mind, I have made the decision to partner with Tevis Energy and their sister company, Modern Comfort Systems. In fact, you may recall a letter regarding our partnership with Modern Comfort Systems earlier in the season.

Tevis Energy and Modern Comfort are both members of the Tevis "family of companies," which also includes Modern Comfort Security, Tevis Propane, and more recently, Rittenhouse Energy Services.

Like Liberty, Tevis is a family-run company that has been serving customers in Maryland for over 75 years. It is because of the care and commitment they demonstrate to all of their customers that I approached Tevis to initiate this relationship. The result to you will be the continuation of the same high levels of personal service and satisfaction that you have always expected from Liberty Oil.

Through this partnership, we will soon be able to offer you additional services, such as online account management, as well as a variety of discounts and payment options. These and other services are listed in detail at www.libertyoil.net.

We are happy to answer your questions -- please continue to call us at 410-686-6400. Please note that we will be consolidating offices on May 1, 2017. Customers who prefer conducting business in person may do so at our Parkville office, located at 1759 E. Joppa Road.

Your continued business and loyalty through this transition means a lot to my family and me, and we look forward to serving you!

Warmest regards,

A handwritten signature in blue ink, appearing to be "Patrick Hurley". The signature is fluid and cursive, with a long horizontal stroke at the end.
